Affirmation

LIMITED EDITION OF:
10

DIMENSIONS (H x W x D):
25.5" x 23" x 14.5"

Base included.

Through a transformation of energy, a new understanding may appear. It is like a new birth which must be cared for as if it were a child (Pogson, 1994).

Aiming for the Mark

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

32.25" x 30" x 12"
(38.5" to top of bow)

Free standing, but should be bolted down.

Plate/base can be ordered separately.

A superficial aim will lead nowhere; such an aim does not touch the esoteric level. Real aim comes from something deeper in you, something emotional. It depends on a certain integrity of feeling that persists in spite of downfalls (Nicholl, 1996).

Anima

LIMITED EDITION OF:

5

DIMENSIONS:

25.5" H × 23" W × 13" D

Base included.

Ascending Horizons

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

9" x 22" x 17"

Free standing, no base.

The idea is to leave the Past behind: your old attitudes, associations, habits of thought. Then there needs to be a space in which to become free from the old, and when this happens you become open to the new (Pogson, 1994).

Awakening

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

19" x 21" x 13.5"

Free standing, no base.

A great number of people serve the downward forces of life. With the right opportunities and influences, a few men and women, if they awaken and remember, can ascend to a new state (Pogson, 1994).

Fragment of Awakening

LIMITED EDITION OF:

50

DIMENSIONS (H x W x D):

18.5" x 17.5" x 6.5" wall hung

Being in the Moment

LIMITED EDITION OF:

3

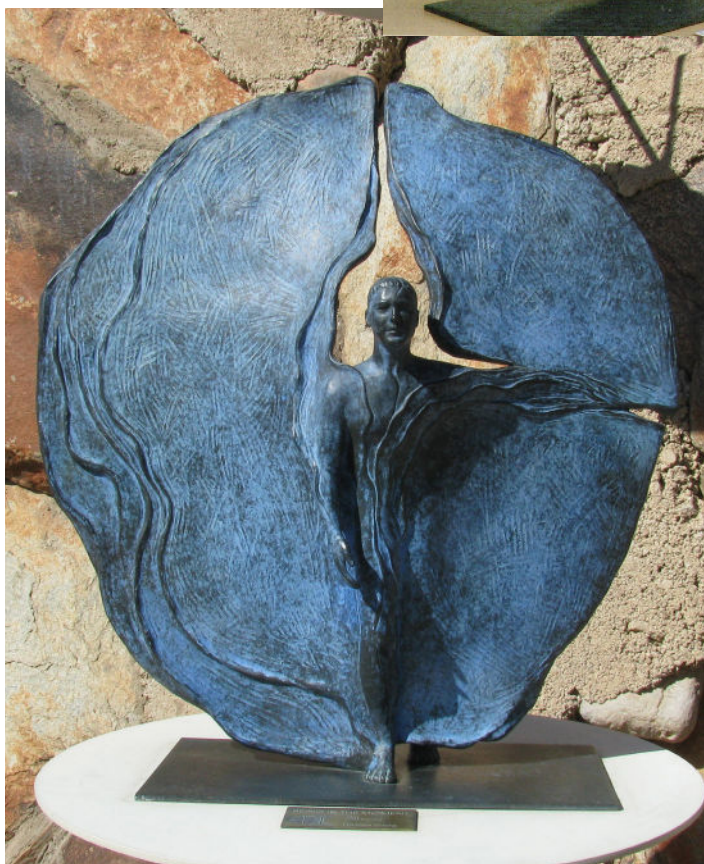

DIMENSIONS (H x W x D):

52" x 48" x 10"

Order powder-coated steel base separately.

At every present moment, into any quiet, unremarkable, ordinary moment, the dimension of Eternity enters. Remote as it may be, the possibility exists for man to awaken and become conscious of the timeless dimension in the feeling of oneself NOW (Nicoll, 1996).

Between Worlds

LIMITED EDITION OF:

10

DIMENSIONS (L x W x D):

38" x 18" x 8"

Base included. Custom water
jet cut base sold separately.

*Contained in "Genesis"
is the idea that man
may rise from darkness
(Death or Mechanicality),
seeking through light
(Consciousness) to reach
a higher state of being
(Nicoll, 1996).*

Coming into the Present

LIMITED EDITION OF:

7

DIMENSIONS (L x H):

33" x 14.5"

Bronze base included
when available. Check
for availability.

*Leaving behind
acquired attitudes and
associations, one must
rediscover the essential
self. One must come out
of everything else into
one's self (Nicoll, 1996).*

Equilibrium

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

24" x 24" x 13"

Base included, cast with piece.

ALSO AVAILABLE IN
LIMITED EDITION OF:

3

DIMENSIONS (H x W x D):

36" x 36" x 20"

Eye of the Needle

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

30.5" x 9" x 7"

Free standing, no base.

In the Gospels, a person who is very much identified with himself is called a "rich man." He thinks he knows, he is certain he can do, and he is sure that right and wrong are clear to him; he feels he possesses goodness and has obtained much merit in everything he has done. Because of this Christ said to him, "Go, SELL all that thou hast" (Nicoll, 1996).

From the Mind of God

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

19" x 15" x 7.5"

Free standing,
no base.

*Our destiny is arranged
from a very high level.
The teaching about
transformation is about
the development of our
Essence, provided we can
be under the influence of
higher substance.*

Forces of the Universe

LIMITED EDITION OF:

5

DIMENSIONS (H x W):

15" x 25"

Base included, cast with piece.

Guardian

LIMITED EDITION OF:

3

DIMENSIONS (H x W x D):

48" x 36" x 14"

Round plate
included.

What do we really know about angels? They are said to be creatures of a higher order; even that they are the emotions of God. Is it enough to simply believe in their existence, their compassion for humanity? By what means might we attract the attention of these celestial beings; how can we deserve their guardianship?

Heaven & Earth

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

45.5" x 11.5" x 5"

BASE DIMENSIONS (H x W x D):

.5" x 18" x 9.5"

Base included, cast with piece.

If you imagine that Genesis is about the creation of the world and the solar system, you are making a great mistake. Genesis is an esoteric book, not a scientific book, and deals with man and what he can become. When it says that "in the beginning God created the heaven and the earth," it refers to MAN who has the possibility of reaching a higher level of development (Nicoll, 1996).

Inner Path

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

19.5" x 12.5" x 11"

Free standing, no base.

Not the plants, not the animals, but man alone has the capability of individual evolution. Life, however, conspires to exhaust our energies willy-nilly in all directions, and to keep us asleep without thought about changing our consciousness. Rare is the man who understands this condition and aspires to direct his attention upwards, to put himself on the path to higher consciousness.

Mirage

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

19.5" (includes 3" base)
x 13" x 12"

Base included, cast with piece.

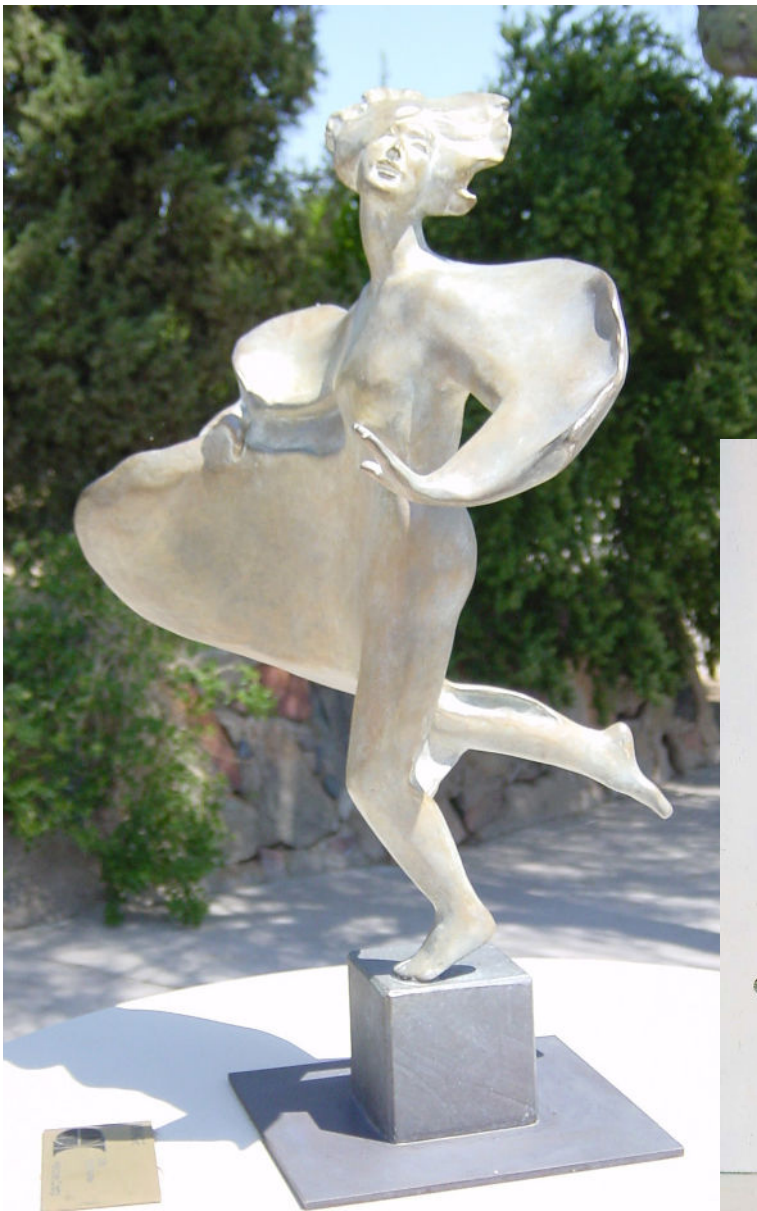

ALSO AVAILABLE IN
LIMITED EDITION OF:

3

DIMENSIONS (H):

33" x 22" x 10"

Requires base. Order base or
pedestal separately.

Sometimes we are lost in the dense atmosphere of our imagination, preventing us from experiencing reality. Are we like an illusory image, existing apart from our actual selves, our consciousness? Where are we then? Where is our consciousness? Does it even exist at that moment? Is there any reality other than being in the moment, here, now?

Night and Day

LIMITED EDITION OF:

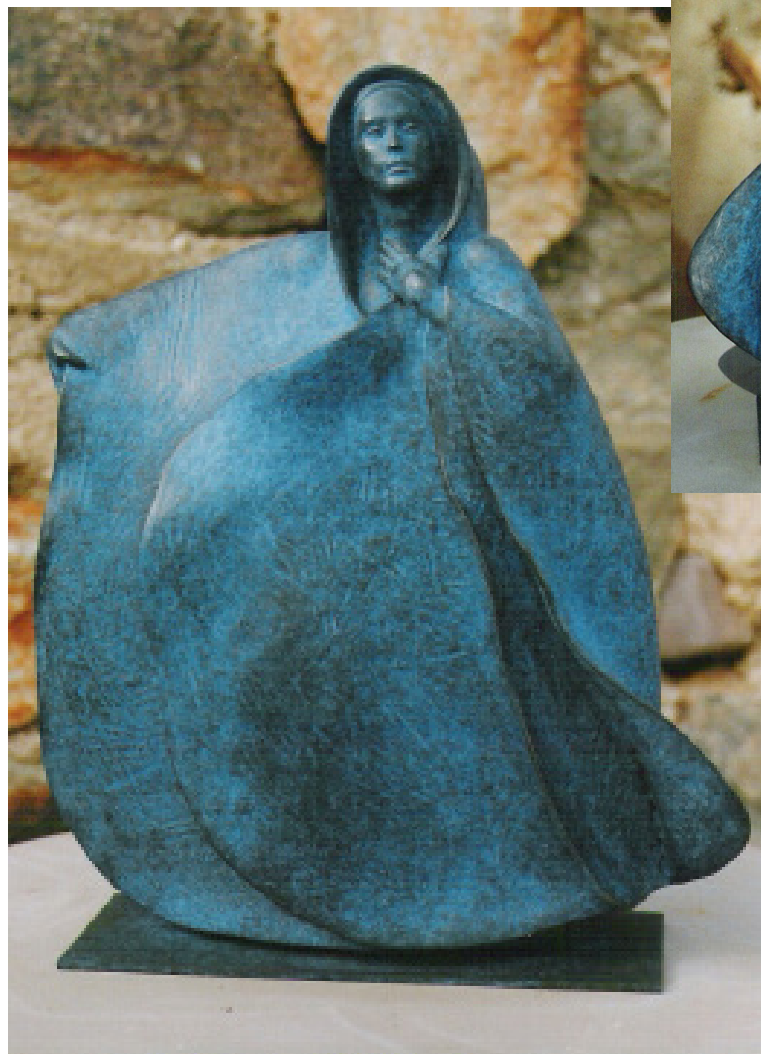

3

DIMENSIONS (H x W x D):

48" x 40" x 10"

Requires base. Order base or pedestal separately.

Our essence is struggling to emerge from beneath the layers, beliefs, attitudes, prejudices, and postures that form the cloak of personality, the side that deals with the world. Often the personality becomes so dominant the essential Self is left unseen and undeveloped.

Night Wind

LIMITED EDITION OF:

7

DIMENSIONS (H x W x D):

47.5" x 37" x 15"

Requires base. Order base or pedestal separately.

*By her gesture,
she epitomizes Trust
and Welcome.*

Perelandra

LIMITED EDITION OF:

15

DIMENSIONS (H x W x D):

17.5" x 8.5" x 15"

BASE DIMENSIONS (H x W x D):

.25" x 14" x 14"

Plate/base included.

The Reality of this piece is in the space within. We see man's personality dealing with the outer world, but what man is in his inner being is not discernible to the senses.

Pinocchio

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

12.75" x 13" x 7"

Free standing, no base.

The transformation of Pinocchio into a REAL boy is analogous to the idea of ordinary man becoming an extraordinary man, i.e. a REAL human being. As in the tale of Pinocchio, it is sure to require a true heart, a deep enduring wish, unceasing work, and, perhaps, a fairy godmother, i.e. a Being of higher substance under whose influence we might have a chance.

Presence of Mind

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

20.75" x 11" x 6"

Base included, cast with piece.

The mind must always remember what it wishes. Without being mindful of intention, we succumb to reactive behavior that comes from a multitude of influences. This is what distinguishes a grown man from a child, having an independent mind whose presence he is able to heed.

Rapunzel

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

24.25" x 13.75" x 11.5"

Base included, cast with piece.

Rapunzel is held captive in her doorless tower by the all-dominating witch who keeps Rapunzel isolated from the world. Here is the moment when a voice calls out, "Rapunzel, Rapunzel, let down your hair." Smiling with anticipation, she lets her hair fall to the ground. Who is waiting at the bottom to climb up? Is it the prince, her liberator? What is the real story?

Ring of Wisdom

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

21" x 19" x 24"
(26.5" height with base)

Free standing, no base. Triangular
bronze base is sold separately.

The Ageless Wisdom is a symphony of ideas that reflects the highest Wisdom given by Cosmic Minds... A major part of our knowledge comes from the scrolls of Space (Saraydarian, 1990).

Romeo & Juliet

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

22" x 13" x 6"

Free standing, no base.

ALSO AVAILABLE IN
LIMITED EDITION OF:

3

DIMENSIONS:

Life size

The essence of this sculpture is the look between Romeo and Juliet. Without the intensity of their expressions of love and concern, there would be no reason for the existence of this piece.

Sacred Energy

LIMITED EDITION OF:
10

DIMENSIONS (H x W x D):
28" x 12" x 9"

Free standing, no base.

The whole universe is made up of forces and energies. Man has a special function which other creatures cannot fulfill. He can serve the Earth by consciously becoming a bridge for certain higher energies coming from above. However, Man, as he is by nature, is not complete and needs to develop his being to a higher level in order to enter into this communion with the Divine (Ravindra, 1999).

Solar Wind

LIMITED EDITION OF:
10

DIMENSIONS (H x W x D):
36"

Steel base is sold separately and can be designed to meet individual needs.

"We are not the same as animals and plants, because if we seek to complete ourselves, we become Solar Beings" (Pogson, 1994).

St. Joan of Arc Bust

LIMITED EDITION OF:

5

DIMENSIONS (H x W x D):

19" x 17" x 13"

Base included.

*She had to be
brave and strong,
inspiring and
inspired, and also
a woman.*

*Excerpt from
life-size sculpture
at Church of St.
Joan of Arc, San
Ramon, CA.*

Suspended Moment

LIMITED EDITION OF:

5

DIMENSIONS (H x W x D):

48" x 10" x 10"

Requires base, order separately.

An idealistic moment of love is expressed by two figures merging as one entity, as one in feeling and spirit.

Inspired by Gustav Klimt's paintings, "The Kiss" (1907) and "Fulfillment" (1905-09).

The Door

LIMITED EDITION OF:
10

DIMENSIONS (H x W x D):
18" x 22.5" x 18.5"

Base included, cast with piece.

There are many steps to be climbed before reaching this esoteric "door" beyond which lies the path that leads from Time to Eternity. To find the door is extraordinary, but it is not enough to merely contemplate the mystery. Crossing the threshold brings the Transformation that is the achievement of a lifetime.

Thought Waves

LIMITED EDITION OF:

15

DIMENSIONS (H x W x D):

5.5" x 19.5" x 13.5"

Free standing, no base.

The focus of this two-sided piece is on the thought process and imagination. In this case, thought waves emanate about the state of pregnancy.

Through a Glass Darkly

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

15.5" x 14.5" x 12.5"

Base included,
cast with piece.

In some unguarded, rare moment of revelation, as in a heartbeat of Eternity, one may catch a glimpse of the Real Self through that "glass," and for an instant see oneself in an objective and impartial way, as through the Eye of God.

Vertical Angel

LIMITED EDITION OF:

10

DIMENSIONS (H x W x D):

19.5" x 7" x 6"

Base included, cast with piece.

The great traditions suggest that angels wishing to evolve to a higher level of being must first descend and take on human form. Perhaps there are angels that walk among us, working toward this higher purpose. Serving the cosmic wish for higher consciousness is sacred work. Man, also, possesses this possibility, his birthright to serve this higher cosmic purpose through his own individual evolution. Who among us is willing to put forth the endless efforts required for this extraordinary work?
